

Product Overview

Business Basic Internet

Unlimited, uncrowded plans ideal for small businesses and remote workers delivering great value, dependable Internet with no lock-in contract and a choice of upgrade options.

→ Dependable performance on a budget

If you're looking for dependable, uncrowded Internet at a great price to power your small business or for working from home, TasmaNet Business Basic Internet is for you.

Enjoy our uncrowded, national business grade network with unlimited data, no lock-in contract, and without paying for features you don't need.

→ Build a plan to power your business

TasmaNet Business Basic Internet delivers the quality connectivity your growing business needs, backed by our expert network team and our direct access to the business nbn™ network operations centre.

Flexible upgrade options like extended support hours, enhanced nbn™ service restoration SLA, static IP address, and prioritisation for voice and video data let you build a plan that suits your business and your budget - or check out **TasmaNet Business Plus** for great value business Internet bundles.

→ Fast connections made easy

Get straight to business with our **fast online 24/7 sign up** or get in touch and we'll help you choose the best plan speed for your business usage and the nbn™ connection technology at your address.

We provision TasmaNet Business Basic Internet plans on the nbn™ 50/20 Mbps, 100/40 Mbps, 250/100 Mbps and Fixed Wireless Plus speed tiers.

Already got a modem? No problem, choose our Bring Your Own Device option and save even more money!
