

Product Overview

Business Plus Internet

Delivers the unlimited, uncrowded Internet your business needs to thrive, backed by extended hours priority support and an enhanced 12 hour nbn™ service restoration SLA.

→ When connectivity is business critical

If your business depends on staying connected to your customers, your sites, and your people, TasmaNet Business Plus Internet is for you.

Built for businesses who simply cannot afford to be offline and need priority support and service restoration, TasmaNet Business Plus Internet includes 7 Day support from our 100% Australian Service Desk team during extended support access hours, an enhanced 12 hour nbn™ service restoration SLA, and a static IP address as standard.

→ Flexible upgrade options

Optional upgrades like 24/7 support, 8- or 6-hour nbn™ service restoration, and traffic prioritisation for voice and video data let you build the best plan for your business and budget.

We provision TasmaNet Business Plus Internet plans on the nbn™ 50/20 Mbps, 100/40 Mbps, 250/100 Mbps and Fixed Wireless Plus speed tiers so you can choose the best bandwidth for your business usage and the nbn™ connection technology at your premises.

To future-proof your business connectivity, consider upgrading to **nbn™ Enterprise Ethernet** fibre. 90% of Australian businesses can now upgrade to superfast fibre direct to their premises with \$0 nbn™ fibre build cost - ask us if your business is one of them!

→ Why wait? Connect today - fast!

Our **fast online 24/7 sign up** makes it easy to get the dependable Internet your business needs to thrive.
